

A large, colorful stained glass tree graphic serves as the background. The tree's branches and leaves are composed of various colored polygons in shades of orange, red, yellow, green, and blue. The tree is centered and spans most of the width of the image.

TLA 2026 Conference Journey Map

CULD Journey Map

College & University Library Division (CULD)

This journey is for the academic librarian or staff member working with patrons ranging from high-school dual credit courses through undergraduate and graduate levels of study. Join us on a journey of learning and networking at TLA Conference 2025. We look forward to meeting you!

About CULD:

CULD provides access to a strong network of academic librarians from universities and community colleges across the state; offers extensive programming at the TLA Annual Conference, including members presenting at the poster session (which provide academics and graduate students a forum to present their current research); access to the CULD listserv to facilitate communication and professional support; monthly online socials; plus, a fall conference and a spring business meeting.

For more information about CULD, please contact:

Kelli Wilder, St. Phillips College at kwilder6@alamo.edu
