About Poster Sessions

The TLA Conference Planning Committee invites the display of scholarly and other research topics and projects at a dedicated TLA Annual Conference session in Houston, TX.

Have a great project or research to showcase?

Librarians, staff, students, faculty, and researchers are invited to present their work, share insights, and spark new ideas with peers from across the library community.

About TLA Annual Conference

The theme for the 2026 Annual Conference “Cultivating Community, Thriving Together” is about fostering collaboration and meaningful connections among library professionals through shared knowledge, resources, and support.
