TLA 2026 Conference Journey Map

Tech Skill Building Journey Map

CPC Multi-Media

This journey provides multi-campus librarians with strategies, tools, and program models that can be scaled across diverse school communities.. Sessions focus on administrative advocacy, adaptable services, teacher partnerships, and repeatable, low-cost programs that can be implemented in both elementary and secondary settings.

About:

The Conference Planning Committee Multi-Media subcommittee collaborates with TLA units to further promote the conference.
