# Secondary Librarian Journey Map

## Texas Association of School Librarians Division (TASL)

This journey is for secondary school librarians - new and experienced! Be sure to read the descriptions of the sessions to see which one is the best fit for you.

### **About Texas Association of School Librarians:**

With more than 2500 members, TASL strives to meet the unique needs of school librarians forming ties with librarians throughout the state. TASL advocates for librarians as teachers who are essential components of a robust educational system. We actively share emerging information and technology with the legislative, administrative, and learning communities.
